

MAN'S BEST FRIEND JUST MET HIS MATCH...

**At least when it comes to
delivering the newspaper.**

We're willing to bet that you know someone who would enjoy subscribing to the paper but doesn't want to wait for the post office to deliver it.

- Your grandma retired in Arizona
- Your college student living on campus
- Your cousin serving overseas
- Your neighbour who travels for a living

With an online subscription, there's no waiting for delivery – it's online virtually the same day the paper is published. And, unlike the printed product, the online paper is available wherever the computer is.

Check out the advantages of an online newspaper subscription **FREE OF CHARGE**. So, tell Grandma. Tell Junior. Tell your neighbour and your cousin. For the next two weeks our online issue is open to everyone!
